

ROXBURY SWIM & TENNIS CLUB

PICKLEBALL PROGRAM 2026

Game On!

New Pickleball Courts are Coming

As part of our commitment to providing premier racquet sports facilities at Roxbury, we are thrilled to announce that pickleball courts will be available for member play in mid to late May.

Whether you're a seasoned pickleball player or looking to pick up a paddle for the first time, these courts will be a fantastic addition to our four seasons of fun.

Neatly tucked below the existing paddle tennis courts, the pickleball courts are designed to meet the growing demand for the sport while preserving the beautiful surroundings of our racquet sport facilities.

What you can look forward to:

- ❖ **Four Dedicated Courts:** No more sharing the paddle tennis courts; these are permanent spaces for pickleball enthusiasts.
- ❖ **No Changes to Membership:** Access to these new courts is included in your current membership.
- ❖ **Restored Tennis Facilities:** As part of this expansion, we are also performing the final stage of restoration work on our existing tennis courts.
- ❖ **Comprehensive Programming:** Get ready for a full calendar of socials, professional pickleball instruction, drop-ins, league play, and competitive tournaments tailored for all skill levels.

Keep an eye out for upcoming pickleball e-newsletters that will include updates on the court construction, an invitation to our Grand Opening Party, and information on how to reserve pickleball court time.

We can't wait to see you on our new pickleball courts soon!

Free Pre-season Pickleball Classes for Beginners

New to pickleball? Our **Free Intro to Pickleball** sessions are the perfect way to jump in, learn the basics, and see why everyone's talking about it.

These sessions will be held on two weekends: June 6th & 7th and June 13th & 14th (times TBD).

These introductory classes are the perfect opportunity to get acquainted with the courts, meet our staff, and explore the game in a fun, welcoming environment. We'll cover the basics, including grip, movement, simple rules, and game play, so you can jump in and give it a try with confidence.

No equipment? No problem! We'll provide the paddles and balls. Just bring your court shoes and a willingness to try something new!

Co-ed Adult Interclub Pickleball League Team

Roxbury is excited to field two adult co-ed pickleball teams this season in the Fairfield-Westchester Pickleball League. Matches will be played both home and away on Saturday afternoons starting May 16th at 3:00 PM.

To join Roxbury's team, players must first register on the Fairfield-Westchester league website: www.fwpl.pickleballscores.com and pay a \$20 league registration fee. Once registered you'll start receiving emails from Roxbury's team captain

regarding upcoming matches and events. There is no Roxbury pickleball team fee. Team players are responsible for providing home match refreshments and balls.

Please note: registering does not guarantee participation in every match, as playing time will depend on the number of registered players and individual availability; however, our goal in this inaugural season is to provide everyone with a fair opportunity to compete.

To support team development, an optional weekly pickleball team practice clinic will be held on Thursday evenings starting May 7th. Until the pickleball courts are available, practice clinics will be held on the paddle tennis courts. To learn more about these team practice clinics check out the previous page.
